Newsletter

Range Improvement Fund Drive

We would like your help! If you or a friend would like to make a donation to the club's Range Improvement Fund and can donate a minimum of \$100, you will receive an investment gift. The Green Valley Rifle & Pistol Club will present you with a Genuine Piece-Type Silver Dollar made in the 1920s as well as a Limited Edition Certificate. These coins are in great condition and come in a protective case. They make a great addition to your collection or investments, and they make great gifts for kids or grandkids. This is a great opportunity and allows the club to match grants and gifts offered to update all of the ranges as well as the improvement of existing ranges at the Hallsville Range, as well as the continuing updates at the Columbia Range. If you would like to make a donation please contact Range Fund Chairman, Don Martin, for more information (2207 Oak Cliff Drive, Columbia MO 65203). Forms can be found on the club website.

So far, our club has raised about 60% of our \$20,000 goal. Thank you to all of the members and non-members who have donated. If you have not had the opportunity to donate and would like to, or if you would like to donate again, please see the club website for donation information.

Member Accomplishments

WE ARE STILL LOOKING FOR MEMBERS TO SHARE THEIR ACCOMPLISHMENTS AND PHOTOS!

Many of our members travel across the state and even across the country for many different reasons: competitions, hunting, family vacations. If you have a recent experience or accomplishment you would like to share with our members, please email your story (pictures welcome!) to amanda.jo.brown88@gmail.com or you can mail it to the club post office box (address on page 2). Each month we will feature a new member story. Remember, accomplishments or events do not have to be shooting related. Also, this column will feature shout-outs and thank yous. If you would like to recognize a fellow member for all of their hard work on a project or at the range, please send those stories to the contact above.

Editor's Note

Is it time to renew your driver's license? How about your CCW? If you have a Non-Driver's License for your CCW permit be aware that there are **TWO** dates on your CCW permit – one that is the expiration date of the card and one that is the expiration date of the CCW endorsement. Some CCW endorsements do expire before the card expires, so be sure to check your CCW so you can be sure you are renewing on time!

Range Updates

Range Upgrades are progressing on schedule. The rail systems are currently being installed and Action Target is working on the controllers. The movers are projection to be completed and operational by the April Action Pistol Match.

Range Rules

A revised edition of the GVRPC Range Rules has been approved and posted to the club website. If you have not had the opportunity to do so, please take a moment and review the rulebook as there have been several changes.

Club T-Shirts

We have been given the opportunity to order club t-shirts for those who travel to competitions and would like to represent our club, as well as anyone who would like a t-shirt. The process of designing and price quoting is still in the works, but if you are interested in a shirt please email Amanda Brown (amanda.jo.brown88@gmail.com) or Grant Jeavons (kiwighj@centurytel.net) and let us know so we can give an estimated order to the printer and get official pricing!

Range Closures

All Mover Ranges will be closed until the installation of the rail mover system has been completed (due to be completed the first week of April.)
