Crawfish Cup 2015 (NRA Action Pistol Regionals)

James Avenell, Dale Caraway, Sam Williams and Amanda Brown traveled to Lake Charles, Louisiana representing Green Valley Rifle and Pistol Club. It was a great match despite the weather. All of our shooters did well. James placed third overall and Amanda placed 2nd amongst Marksmen and 2nd amongst Women. Congratulations to everyone who participated in the match and thank you to George Mowbray and the Southwest Louisiana Rifle and Pistol Club for a great match!

Coming Up in the Missouri Legislature

There are several bills going through the Missouri legislature that are targeting Conservation. These bills would greatly reduce the funds for the Missouri Department of Conservation and end countless conservation programs with charities. Please contact your senators and representatives and let them know that you strongly oppose these bills!

- SB 56 – Modifies hunting, fishing and trapping permit fees for Missouri residents
- SB 178 – Modifies provisions relating to captive herds
- SB 337/HB 763 – Prohibits the Conservation Commission and the Department of Conservation from engaging in prohibited conduct with a connected not-for-profit corporations (charities)
- HJR 27 – Proposes a constitutional amendment reducing the sales tax from 1/8 of a cent to 1/16 of a cent
- HJR 28 – Proposes a constitutional amendment requiring the conservation sales tax be approved by voters every ten years
- HJR 39 – Proposes a constitutional amendment to repeal the Conservation Commission's authority to acquire land
- HB 317 – Requires the Department of Conservation to reimburse automobile owners up to \$500 for damages inflicted upon their vehicles by deer
- HB 710 – Allows non-residents who own property or pay income taxes in Missouri to receive resident hunting and fishing permit privileges
- HB 834 – Prohibits state agencies or entities from purchasing or receiving donated land without the approval of the General Assembly
