Green Valley Hosts ICORE Match

GVRPC will be hosting an Introductory ICORE Match on November 1st at 9am.

The International Confederation of Revolver Enthusiast is an action shooting sport that combines elements USPSA, Steel Challenge and Bianchi into a demanding competition exclusively for revolvers. The standard paper target (moving and stationary) is the NRA D-1 target with 4 scoring areas, as well as steel. Scoring is based on a time plus scoring method that places emphasis on accuracy.

To compete you will need a revolver in safe condition of the proper caliber, a secure holster that will cover the trigger, and at least 3-4 loaders and loader holders attached to the gun belt. The shooter may load from the pocket for the initial Load & Make ready prior to the beginning of the course of fire. However, during the course of fire all reloads must come from the belt, unless otherwise directed by the course of fire. For ICORE general information, Divisions & Rulebook please go to www.icore.org

OPEN DIVISION: Revolvers must compete in this division if it has one or more of the following modification: compensating, venting, or metering ports of any kind; an optical sight including telescopic and red dot sights.

LIMITED DIVISION: Revolvers may compete in this division if it does NOT have any of the modifications listed above.

CLASSIC DIVISION: Revolver that has the following additional requirements: cylinder with only 6 chambers, any barrel other than an unaltered factory barrel or an unaltered factory replacement barrel made by the revolver's manufacturer is NOT allowed in Classic Division. Alterations to the barrel other than what is required to safely install the barrel are not permitted. An under lug, barrel weight, grip weight, or any other modification designed to increase the weight of the revolver is not permitted. Must only use speed loaders to reload. Moon-clips are prohibited.

Annual Meeting of Members

The Annual Meeting was held on October 13th. Vice President and Treasurer and 4 Director positions were re-elected. Dale Caraway and Richard Poelling will continue as Vice President and Treasurer, respectively. Grant Jeavons, John McGee and Tom Mendenhall will serve another term as Director. The fourth Director position was awarded to Sam Williams. No board positions were contested.

Glock Raffles and Shirt Orders

GVRPC will be selling tickets once again to raffle off the Glock Certificates from this year's Glock Regionals. Tickets can be purchased from any Board Member, the club office, or at Modern Arms gun shop on Vandiver Drive.

Another round of shirts are being ordered. We are looking to possibly get polo style shooting shirts this time. This will provide more space for logos as well as give additional color options. The shirts will be approximately \$20 higher than they were last year. If you are interested in ordering, please send your shirt size and contact information to amanda.jo.brown88@gmail.com to start the ordering process. A Proof will be sent out to members via email once the logos have been approved and shirt color picked. We are looking to try a dark green color this year for the first and changing the logo from red to green due to the high demand for green last year!

Range Improvement Fund Drive

A big thank you to everyone who has donated over the past year to help us improve the ranges we have at the clubs. We appreciate every member, friend and family that has donated to the club in order to make our club one of the best in the country. Our Range Improvement Fund Drives will continue into the New Year so please contact the club treasurer at <http://www.gvshoot.com/forums/index.php?page/gvcontact> if you would like to donate. Remember, members can donate their time as well to help out on the range for a \$25 membership discount per day worked. Contact a board member to volunteer.
