Year-End Wrap Up

With 2017 coming to a close, the year was one of great success for the club and the disciplines. A new regional, a title sponsor, and an attendance record were the highlights this year.

In June, Patricia Grane-Johnson, discipline head for ICORE, applied to host a regional at GVRPC. With a great crew to run the range and approximately 40 shooters, the Midwest Regional ICORE Championship was a success.

Also in June, Amanda Brown and Sam Williams, co-discipline heads for NRA Action Pistol, put on the yearly Cameron Cup Regional Action Pistol Championship. This year the championship gained a title sponsor with Graf & Sons, local gun shop and reloading superstore out of Mexico, MO. Among the yearly sponsors were several local and regional businesses and well as the addition of some nation-wide companies. The match hosted approximately 40 shooters, a large group of ROs and range staff, and was a success.

The last weekend in August, GVRPC hosted the 26th Midwest Regional Classic for the Glock Sport Shooting Foundation (GSSF). This year, attendance was at an all-time high and a new entry record was set at 402 entries over the two-day event. Also in record attendance were the ROs who volunteered to run the match. This year marked another successful year for GSSF at GVRPC. From the event, GVRPC received a few certificates for blue line Glocks. If you are interested in purchasing one of the certificates, please contact our treasurer, Richard Poelling.

Range Closures

Please pardon our progress as we work to improve and repair ranges in the off-season.

Messages from the Board

Please do not remove the locks from the gates. Unless there is a sanctioned event, remember to lock the gate behind you when you enter and leave the range at both the Columbia and Hallsville facilities.

Any member caught violating club rules will be asked to leave and the incident will be reviewed by the board possible resulting in permanent revocation of membership and a lifetime ban from the club.

All board members were reelected at the annual meeting whose positions were due for reelection.

Membership renewals have been mailed. If you do not receive one, please visit our website to download and print one or contact the club. Remember, the gate code will change February 1, 2018 so get your renewals in before then to ensure you have access to the ranges.

We have a new member to the GVRPC family! Please welcome our new office manager, Katie. Katie will be in the office periodically throughout the week. Please feel free to stop by and introduce yourself and welcome her to the GVRPC family.

GVRPC is selling shirts. Please contact the club if you are interested in purchasing one. Also please complete the survey if you have not done so.

Range Improvement Fund

A big thank you to everyone who has donated over the past year to help us improve the ranges we have at the clubs. We appreciate every member, friend and family that has donated to the club in order to make our club one of the best in the country. Our Range Improvement Fund Drives will continue into the New Year so please contact the club treasurer at <http://www.gvshoot.com/forums/index.php?page/gvcontact> if you would like to donate. Remember, members can donate their time as well to help out on the range for a \$25 membership discount per day worked. Contact a board member to volunteer.
