Shooters may shoot either or both matches.

MATCH FEES: \$5.00 for a 40-round match, \$10.00 for a 80 round match. Junior shooters (born 2005 or later) are \$2.00. If you have not shot Smallbore Silhouette at Green Valley before, match fees are **waived** for your first match!

COURSE OF FIRE:

Targets are made of metal and in the shape of animals. Any .22 rifle can be used and a scope is recommended. No hyper velocity ammo due to target damage. A 40 round match consists of ten chickens at 40 meters, ten pigs at 60 meters, ten turkeys at 77 meters, and ten rams at 100 meters. All targets are 1/5 actual size, and are arranged in banks (rows) of 5 animals. All shooting is done from the standing position and without the use of slings or artificial supports. Following a 15-second "Ready" command you have 2 1/2 minutes to shoot the first of two banks of 5 targets, with one shot per target, in order, from left to right. After a 30 second pause there is another 15 second Ready and another 2 1/2 minutes to shoot the 2nd bank of 5 targets. Every animal knocked off the rail is counted for a total score.

RULES: NRA rules apply and NRA classification will be used. Eye and Ear protection are required.
